

### **Why choose a CIBTAC qualification?**

CIBTAC (The Confederation of Beauty Therapy and Cosmetology) is the education and examination system of BABTAC (The British Association of Beauty Therapy and Cosmetology). It is the Board responsible for the syllabus and training of Beauty and Holistic Therapists. It has built up its reputation over 25 years and is renowned for its high level of training and strict quality control.

The CIBTAC qualification has been designed to ensure that all candidates are trained to a very high standard—the standard the industry requires.

Every CIBTAC Diploma provides a basis for continuing education, development, and career progression.

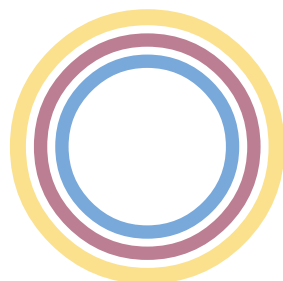

### **Why choose CIDESCO?**

The CIDESCO (Comite International de Estetique et de Cosmotologie) diploma is the world's most prestigious qualification in the field of Aesthetics and Beauty therapy; and is the only qualification that is truly international. Since 1946 the CIDESCO qualification has set standards that have been recognised and respected across the five continents.

Employers value the CIDESCO qualification because it proves that you have attained the very highest standard of expertise and professionalism in Aesthetics and Beauty therapy.

You can enrol for the CIDESCO International diploma on a full time course of 11 months.

### **Post Graduate**

Courses offering one-to-one tuition for qualified therapists are available in aromatherapy, reflexology, facial lymph drainage, red vein removal and semi-permanent make-up.

These courses are all Ray Cochrane certificated; an added advantage in the competitive job market.

The Ray Cochrane Beauty School holds **the world record of over 100 successful CIDESCO examinations** a measure of the School's growth and achievement since its foundation. Our graduates are justifiably much sought after.

## Our Success

"I greatly appreciate the **first class training** and teaching that I received at the Ray Cochrane Beauty School. This is equally evident in the Ray Cochrane graduates that I have been fortunate to employ."

**Emma Clark**  
Homes Places Health Club  
Chelsea

"The education I had at Ray Cochrane was **one of a kind**. I realise that so much now when I have seen the therapists who are working out there. There is no denying that it was toughest year I have ever experienced but it is worth more than anything now that I have such **excellent career prospects**. Ray Cochrane has an excellent name in the beauty world and one is already half way there just with the name."

**Nadine Toledano**  
Apricot Salon

"The help and **support** from Ms. Suri and the staff at the school has made me the **success** which I am today."

**Tera Jullian**  
Beauty Therapist of the year 2003
